

AUDIT COMMITTEE CHARTER

I. Committee Membership: The Audit Committee of Vornado Realty Trust (the "Trust") shall be comprised of at least three trustees, each of whom the Board has determined qualified as "independent" under the Corporate Governance Rules of The New York Stock Exchange, Inc. and Rule 10A-3 under the Securities Exchange Act of 1934, as amended. In addition, the Board shall determine that each member of the Audit Committee is "financially literate," and that one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board of Trustees in its business judgment, and whether any member of the Audit Committee is an "audit committee financial expert," as defined by the rules of the Securities and Exchange Commission (the "SEC"). If the Board has determined that a member of the Audit Committee is an audit committee financial expert, it may presume that such member has accounting or related financial management expertise.

No trustee may serve as a member of the Audit Committee if such trustee serves on the audit committees of more than two other public companies unless the Board of Trustees determines that such simultaneous service would not impair the ability of such trustee to effectively serve on the Audit Committee, and discloses this determination in the Trust's annual proxy statement.

Members shall be appointed by the Board based on nominations recommended by the Trust's Corporate Governance and Nominating Committee or otherwise by the full Board (including the members of the Corporate Governance and Nominating Committee), and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

II. Committee Purposes: The purposes of the Audit Committee are to:

- A. assist Board oversight of (i) the integrity of the Trust's financial statements, (ii) the Trust's compliance with legal and regulatory requirements, (iii) the independent registered public accounting firm's (hereinafter referred to as the "independent auditors") qualifications and independence, and (iv) the performance of the independent auditors and the Trust's internal audit function; and
- B. prepare an audit committee report as required by the SEC for inclusion in the Trust's annual proxy statement.

The function of the Audit Committee is oversight. The management of the Trust is responsible for the preparation, presentation and integrity of the Trust's financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Trust's annual financial statements, reviews of the Trust's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, annually auditing management's assessment of the effectiveness of internal control over financial reporting and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Trust and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of

auditing or accounting reviews or procedures or to set auditor independence standards.

The independent auditors shall submit to the Audit Committee annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Trust, including each non-audit service provided to the Trust and at least the matters set forth in the then applicable standards of the Public Company Accounting Oversight Board (the "PCAOB") regarding the independent auditor's communication with the Audit Committee concerning independence. The independent auditors shall discuss with the Audit Committee any significant issues arising from the most recent PCAOB inspection of the independent auditors, including the independent auditors' response to any identified accounting deficiencies.

The independent auditors shall submit to the Audit Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Trust's annual financial statements and the reviews of the financial statements included in the Trust's Quarterly Reports on Form 10-Q or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Trust's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.
